Architecture & Construction

From design to construction, we bring structure to your vision and life to your space—leading with integrity and craftsmanship.

RESIDENTIAL

Whether you're looking to modernize your kitchen, add a new room, or completely renovate your living space, our innovative design and construction services blend functionality with exceptional aesthetics, delivering great results that will enhance your day-to-day life

COMMERCIAL

Our "core and shell" phase focuses on constructing essential interior and exterior elements. We tailor these foundational services to align perfectly with each client's vision and objectives. We also provide solutions to building owners needing personalized rental space modifications, managing requirements, budgets, and timelines to ensure modifications meet all of our clients' needs.

Painting & turnkey renovations for landlords, homeowners and businesses made easy.

From high-quality commercial and residential painting to full tenant improvements, we bring your vision to life and maximize value. Our fast, efficient unit turnovers ensure minimal vacancy and seamless transitions between tenants.

COMMERCIAL PAINTING

Make a great first impression with high-quality exterior and interior commercial painting. Our services ensure your business looks sharp and professional.

TENANT IMPROVEMENT

In addition to our painting services, we offer comprehensive tenant improvement construction services. Our experienced team ensures your vision becomes a reality, adding value to your rental property.

RESIDENTIAL PAINTING

Looking to refresh your home with new paint? We offer expert residential painting services to transform your space. We help you choose perfect colors and provide advice on the best paint for your needs.

UNIT TURNOVER

Efficient unit turnover services to ensure a seamless transition between tenants. We work quickly to minimize vacancy times and provide comprehensive support throughout the process.

WHY C2MOD?
